

Welcome to The Highlands Chapter Antique Motorcycle Club of America

We're a group of folks with a common interest – we ride, work on & enjoy old motorcycles!

Our chapter, one of many in the Antique Motorcycle Club of America, ranges from the membership concentration in Northern Virginia's suburbs and extending to the Roanoke/ Southwest Virginia area, where our chapter originated.

We come from all walks of life, and ride Harley's, Indian's, Triumph's, BSA's, Norton's, Henderson's and just about anything that has two wheels and is at least 35 years old.

If you like old motorcycles and live in our chapter's area, get in touch, and come ride with us.

The extensive experience of our membership includes; mechanical abilities, parts resources, restoration knowledge and all aspects of owning, maintaining, riding and showing classic & antique motorcycles.

What We Do

We Ride! Weekends you can often find us in the wind on our machines. Sometimes it is just a few folks and sometimes it is a large group.

We Meet! We have meetings on the third Sunday morning of each month. Some monthly rides will also include the meeting.

Other Activities! We have parties and our formal event is an annual Christmas Dinner. We also participate in motorcycle displays that benefit Charities such as the Wounded Warrior Project and the Spirit Open Equestrian Fundraiser.
